You must stop at the hotel the day of check in before going to the park to activate your bands (and check into your room!)

Always remember Mickey Head to Mickey Head!
Set a pin number you will remember. Last 4 #s of your cell number or social are good options. If you forget it, change it in your MDE app!

If you loose your band deactivate it in your MDE app or go to Guest Relations right away.

Take a screen shot of your FP+ times for the day and make it your "Lock Screen Wallpaper" to save time and cell battery.

Have FUN with your MagicBand! Make it your own! Use it to show your DisneySide!
